

Toronto Central Palliative Care Network cordially invites you to a workshop session on Hospice Palliative Care in the Toronto Central LHIN.

Purpose:

This session will serve a number of purposes:

- Give you an understanding of general concepts and principles of hospice palliative care, and will speak to some of the misconceptions (It is not only about end of life, or care for cancer patients).
- Give you an understanding of how hospice palliative care is organized in the Toronto Central region
- Provide you with information on who all the hospice palliative care providers are, their services, and how to access services for these different providers.

Audience:

- For any worker and volunteer that is involved in providing care or making referrals to patients/clients who may benefit from hospice palliative care.
- This is open to any worker & volunteer in any healthcare & community support services organization including (all chronic disease management and care groups, community support services, services for homelessness, and others).

Date and Time:

April 26th, 2010 for 8:30-10:30 AM (8:00 – 8:30 registration)

Location: 55 St. Clair Avenue West, Suite 150

The Canadian Cancer Society is generously hosting this session, & will be providing refreshments.
