

Toronto Central Palliative Care Network 2010-11 Lunch 'n Learn June Series

TCPCN is pleased to present two educational events for the month of June 2010.

Quality Workshop

June 14, 2010 @ 1:00-3:00PM Location: 15th Fl. Classroom, Mt. Sinai Hospital & Webinar

Lunch Provided

In partnership with the **Temmy Latner Centre for Palliative Care**, a workshop focused on the principles of quality will be held. The purpose of the workshop will be to raise our collective understanding of quality and its role and application in hospice palliative care, and how we can develop leadership in this area. The workshop will be given by the reputable **Centre for Health Quality Improvement** who has assisted the province in much of its quality and integration work. The session will provide an overview of quality principles and concepts, the link between safety and quality, an overview of some problem-identifying & quality improvement tools, and a discussion surrounding how to nurture leadership in quality among staff, management and board of directors.

Speaker

Ms. Paula Blackstien-Hirsch, Executive Director, Centre for Health Quality Improvement.

Prognostication in Non-Cancer Populations

June 16, 2010 @ 12:00–1:15 PM Location: Toronto General Hospital (Eaton North, 1st Floor Rooms 429/430) & Webinar

The Toronto Central Palliative Care Network is pleased to present a session that examines prognostication in non-cancer populations. This will include a special focus on patients with congestive heart failure (CHF). Our session will examine the literature on the effectiveness of current prognostication practices for non-cancer patient populations.

Speakers

Dr. Ebru Kaya, Palliative Care Physician, University Health Network

Commentary from **Dr. Heather Ross (Tentative)**, Medical Director, Cardiac Transplant Program, University Health Network

Commentary from **Dr. Jeff Myers (Tentative)**, Regional Palliative Care Clinical Co-Lead, Toronto Central Regional Cancer Program
